

The Open Road

original demo song

Key: G major • Tempo: 92 bpm • 4/4 • Capo 2

Verse 1

G **D**
Pack a little light for the road ahead,

Em **C**
leave the rest of yesterday unsaid.

G **D**
Every mile a page we haven't read,

Em **C** **G**
the open road is calling us instead.

Chorus

C **G**
So drive, drive into the wide unknown,

D **Em**
wherever we are going we're not going alone.

C **G**
Sing loud, let the engine and the heart atone –

D **G**
the map is just a rumour once the wheels have grown.

Verse 2

G **D**
Coffee going cold and the radio low,

Em **C**
counting every town we'll never know.

G **D**
Headlights on a hill we used to know –

Em **C** **G**
the only way to stay is letting go.
